FAQ

## HOW DO YOU DETERMINE A RESIDENT'S REQUIRED LEVEL OF CARE?

Your care plan is determined prior to move-in through an individual evaluation by our professional staff and your own personal physicians. Periodic resident evaluations will occur on a routine basis, or as needed.

## HOW INDEPENDENT CAN I BE?

We're committed to making the most of your independence while providing the care you require. Our residents decide how much they want or need and we accommodate with the appropriate level of care. Drive your own car, furnish your apartment, and enjoy great food from our kitchen.

We encourage residents to be as independent as is comfortable. When the need arises, our staff will perform housekeeping tasks, help with grooming and bathing, and generally assist with daily activity. We have fully trained caregivers available at the push of a button on our in-home monitoring system.

## WHAT LEVELS OF CARE ARE AVAILABLE?

Timber Ridge offers various services and plans designed to fit the changing needs of each resident. Residents pay only for the services they receive.

## WHEN DID TIMBER RIDGE OPEN?

Timber Ridge was founded in 1995 by two local Humboldt County couples, Dr. Dan and Larona Farnum and Dan and Kendra Johnson. They formed the assisted living management company Western Living Concepts, which oversees all Timber Ridge facilities.

## HOW MUCH DOES LIVING AT TIMBER RIDGE COST?

Shared suites, including meals, start at \$2,415 per month. Refer to our Amenities and Services information sheet for a breakdown of services included in list pricing.

## CAN I HAVE GUESTS?

Timber Ridge welcomes family and friends who want to stay overnight, space permitting. Not all floor plans will accommodate guests and there are no "best rooms." There is also a private dining room for special occasions, as well as a private living room where residents can entertain visitors.

## CAN I BRING MY PET?

Timber Ridge offers the privileges of home, because it is home. All pets must be pre-approved by management and pet care must be managed by the resident.

## WHAT ABOUT IT MEANS?

## WHAT ABOUT MEALS?

Timber Ridge provides three specially prepared meals each day in the beautiful restaurant-style Timber Ridge dining room.
